

PAY POLICY 2017-18

Approved by: Cumbria Education Achievement & Climate Board

Date: 30.10.2017

Review Date: To be reviewed annually and updated as required following changes in legislation

Owner: Chief Operating Officer, Cumbria Education Trust

Purpose of the Pay Policy

Cumbria Education Trust (the Trust) believes that a fair, transparent and consistent Pay Policy which recognises and rewards teachers as highly skilled professionals, is a key element in effective school improvement.

This Pay Policy will help to recruit, retain and motivate teachers, provide the basis for sound financial and personnel planning and minimise the risk of grievance and discrimination.

It follows the format of the DfE's model policy and is consistent and compliant with the revised statutory provisions for teachers' pay due to take effect from 1 September 2017 and the Pay Policy checklist of all Professional Associations.

This policy has been updated to reflect the 2017 pay recommendations. It will be kept under review in the light of future School Teachers' Review Body (STRB) reports.

Pay Progression

Decisions about teachers' pay progression are linked to performance. Further information regarding this is provided in Section 3.

Policy for determining teachers' pay

Cumbria Education Trust adopted this policy in November 2015.

Reviewed November 2017.

Introduction

This policy sets out the framework for making decisions on teachers' pay. It has been developed to comply with current legislation and the requirements of the School Teachers' Pay and Conditions Document (STPCD) which has been consulted on with the recognised trade unions. A copy of this policy and a copy of all relevant documents on pay and conditions will be made available to staff by the Trust.

In adopting this pay policy the aim is to:

- assure the quality of teaching and learning across the Trust
- support recruitment and retention and reward teachers appropriately; and
- ensure accountability, transparency, objectivity and equality of opportunity.

Pay decisions are made by the Trust Board which has delegated certain responsibilities and decision making powers to the CEO and Local Advisory Boards (LABs) as set out in

Appendix 1. The CEO shall be responsible for the establishment and review of the Pay Policy, subject to the approval of the Trust Board, and shall have full authority to take pay decisions on behalf of the Trust Board in accordance with this policy.

1. Pay Reviews

The Trust will ensure that each teacher's salary is reviewed annually, with effect from 1 September and no later than 31 October each year, and that all teachers are given a written statement setting out their salary and any other financial benefits to which they are entitled by 30 November each year.

Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay where this is appropriate. A written statement will be given after any review and will give information about the basis on which it was made. Where a pay determination leads or may lead to the start of a period of safeguarding (pay protection), the Trust will give the required notification as soon as possible and no later than one month after the date of the determination.

2. Basic Pay Determination On Appointment

The Trust will determine the pay range for a vacancy prior to advertising it. On appointment it will determine the starting salary, within that range to be offered, to the successful candidate.

In making such determinations, the Trust will take into account the following factors:

- the nature of the post
- the level of qualifications, skills and experience required
- market conditions
- the wider school context

A teacher will not be paid on a range (MPR/UPR/UNQ) which is different to the range on which they were paid immediately prior to their appointment and will be paid at a point on that scale that is not detrimental to them unless that teacher has applied for and been offered a post which has been advertised on a different pay range.

For positions on the leadership scale this must be done with regard to the guidelines contained within the STPCD 2017.

3. Pay Progression Based On Performance

Across the Trust family of academies all teachers can expect to receive regular, constructive feedback on their performance and are subject to annual appraisal that recognises their strengths, informs plans for their future development, and helps to enhance their professional practice. The arrangements for teacher appraisal are set out in the Appraisal Policy.

Decisions regarding pay progression must be made with reference to the teachers' appraisal reports and the pay recommendations they contain. All appraisals must result in a pay recommendation being made. It will be possible for a 'no progression' determination to be made without recourse to the capability procedure. In all such eventualities the teacher will have been made aware of this possibility as outlined in the Appraisal Policy.

In the case of NQTs, whose appraisal arrangements are different, pay decisions will be made by means of the statutory induction process.

To be fair and transparent, assessments of performance will be properly rooted in evidence that should be routinely available as part of the appraisal cycle. The Trust will ensure fairness by Headteachers' undertaking a process of moderation for each appraisal cycle. This will be quality assured by the CEO and Local Advisory Board and will form part of an annual report to the Trust Board on appraisal.

The evidence to be used may include lesson observations, pupil performance data and appraisal outcomes properly rooted in evidence as part of the appraisal cycle.

Final decisions about whether or not to accept a pay recommendation will be made by the CEO on behalf of the Trust Board, having regard to the appraisal report and taking into account advice from the Headteacher/LAB. The Trust will ensure that appropriate funding is allocated for pay progression at all levels when setting its budgets.

For teachers on main pay range, judgements of performance will be assessed against objectives and the national teacher standards and teachers will be eligible for pay progression if they are effectively fulfilling the teacher standards and meeting the objectives that are set and agreed.

4. Main Pay Range from 1 September 2017 (MPR)

A teacher on the main pay range (MPR) will be paid a salary within the minimum and maximum on the main pay range set out below and the individual pay points in Appendix 2:

Main Pay Range	
Minimum	£22,917
Maximum	£33,824

5. Upper Pay Range from 1 September 2017 (UPR)

A teacher on the upper pay range (UPR) will be paid a salary within the minimum and maximum on the main pay range set out below and the individual pay points in Appendix 3:

Upper Pay Range	
Minimum	£35,927
Maximum	£38,633

The Trust will pay a teacher on the upper pay range if:

- The teacher is employed in the academy as a post-threshold teacher for as long as they are so employed without a break in their continuity of their employment at the academy.
- The teacher was previously employed as a member of the leadership group at the academy, has continued to be employed without a break in their continuity of employment at the academy was first appointed to the leadership group on or after 1st September 2000 and has occupied such a post for an aggregate period of one year or more. In this case the Trust will determine where within the UPR range the teacher's annual salary will be fixed.

6. Movement to The Upper Pay Range

Applications and Evidence

Any qualified teacher may apply to be paid on the upper pay range and any such application must be assessed in line with this policy. It is the responsibility of the teacher to decide whether or not they wish to apply to be paid on the upper pay range.

The Headteacher should remind all teachers on the Qualified Teacher Pay Range, at the start of each school year, of their right to apply for assessment.

Applications may be made once a year. Where teachers wish to be assessed, they should notify the Headteacher in writing using the application form (as at **Appendix 4**) which should be submitted by the teacher to the Headteacher prior to the appraisal planning meeting. The teacher's application will be appended to their appraisal planning statement.

The evidence to be used will be only that available through the appraisal process in accordance with the conditions outlined in the Appraisal Policy. (NOTE: This means that as Standards are part of Appraisal then the expectation should be for the teacher to provide evidence before the pay decision is made by the appraiser – the appraisal document should then summarise the decision not then duplicate a process).

If a teacher is simultaneously employed at another academy/school(s), they may submit separate applications if they wish to apply to be paid on the upper pay range in that school or schools. The Trust will not be bound by any pay decision made by another academy/school.

All applications should include evidence from the most recent two appraisal cycles that they have completed. These may not be consecutive years if breaks in service have occurred.

The Assessment

An application from a qualified teacher will be successful if evidenced by two successful and consecutive performance management/appraisal reviews and where the Headteacher is satisfied that:

- a) the teacher is highly competent in all elements of the national teachers' standards; and
- b) the teacher's achievements and contribution to the school are substantial and sustained.

In making its decision, the Headteacher will have regard to the two most recent performance management/appraisal reviews. Reviews will be deemed successful, in accordance with the conditions outlined in the Appraisal Policy for progression to the Upper Pay Range:

- 'highly competent' means typically the standard of teaching should be at least good as may be evidenced through lesson observation/pupil performance data/appraisal outcomes
- 'substantial' and sustained will be evidenced by two successful performance reviews as documented on the threshold application form (referenced within **Appendix 4**).

Processes and procedures

The assessment will be made within 10 working days of the receipt of the application or the conclusion of the performance management/appraisal process, whichever is later.

If successful, applicants will move to the Upper Pay Range and will be placed at the relevant point of that pay range with the pay award backdated to the 1 September of that school year.

If unsuccessful, feedback will be provided by the Headteacher as soon as possible and at least within 5 working days of the decision; and will cover the reasons for the decision and the appeals arrangements available to the teacher.

The Headteacher, in agreement with the CEO, will decide where on the upper pay range a successful teacher is placed, and, if teachers can start further up the range, insert how their position on the upper pay range will be decided in a fair and consistent way based on:

- the nature of the post and the responsibilities it entails
- the level of qualifications, skills and experience of the teacher

Any appeal against a decision not to move the teacher to the upper pay range will be heard under the Pay Policy appeals procedure (see **Appendix 5**).

7. Part-Time Teachers

Teachers employed on an ongoing basis at the academy but who work less than a full working week are deemed to be part-time. The Trust will give them a written statement detailing their working time obligations and the standard mechanism used to determine their pay, subject to the provisions of the statutory pay and working time arrangements and by comparison with the school's timetabled teaching week for a full-time teacher in an equivalent post.

8. Short Notice/Supply Teachers

Teachers employed on a day-to-day or other short notice basis will be paid on a daily basis calculated on the assumption that a full working year consists of 195 days; periods of employment for less than a day being calculated pro-rata as outlined in paragraph 44 of the STPCD.

9. Leadership Teachers (Headteacher, Deputy & Assistant Headteachers') Appointed on or After 1 September 2014 or Whose Responsibilities Have Significantly Changed After That Date

The Trust Board will set the pay level needed to attract a headteacher, deputy headteacher or assistant headteacher. Prior to advertising the post the following stages will be undertaken:

Stage 1: Define the role and determine the headteacher group (using the pupil unit calculations within the STPCD 2016 – paragraphs 5 - 9)

Stage 2: Set an indicative pay range within the statutory minimum and statutory maximum;

Leadership Pay Range	
Minimum	£39,374
Maximum	£109,366

then, when in a position to make an appointment:

Stage 3: Decide the starting salary and individual pay range for the appointee.

Recommended Leadership pay points within the Leadership pay range are shown in **Appendix 6**. Recommended Headteacher pay points within the Headteacher Group pay ranges are shown in **Appendix 7**.

10. Lead Practitioner Pay Range

Teachers paid as Lead Practitioners should be paid at a point as determined by the academy within the Lead Practitioner Pay Range, please see below and **Appendix 8**. Such appointments should be made with regard to the STPCD 2017.

Lead Practitioner Pay Range	
Minimum	£39,374
Maximum	£59,857

11. Unqualified Teacher Pay Range

The Trust has established a pay range for unqualified teachers employed in classroom teacher posts. Such appointments should be made with regard to the STPCD 2017.

Unqualified Teacher Pay Range	
Minimum	£16,626
Maximum	£26,295

12. Discretionary Allowances and Payments

Teaching and Learning Responsibility Payments – TLR 1, 2 & 3

The Trust may award a TLR payment to a classroom teacher for undertaking a substantial additional responsibility, for the purpose of ensuring the continued delivery of high-quality teaching and learning and for which that teacher is made accountable. Unqualified teachers may not be awarded TLRs.

The Trust pays TLR 1 and 2 payments to teachers as indicated in the attached staffing structure, in accordance with the pay ranges specified in the 2017 STPCD as updated from time to time:

STPCD 2017 – TLR Ranges		
Band	Minimum	Maximum
TLR Band 1	£7,699	£13,027
TLR Band 2	£2,667	£6,515
TLR Band 3	£529	£2,630

CET academies TLR structures are outlined below: -

TLR 1c	£13,027
TLR 1b	£9,380
TLR 1a	£7,699
TLR 2c	£6,515
TLR 2b	£4,105
TLR 2a	£2,667

Before awarding any TLR 1 or 2 payment, the Trust must be satisfied that the teacher's duties include a significant responsibility that is not required of all classroom teachers and that it:

- a) is focused on teaching and learning;
- b) requires the exercise of a teacher's professional skills and judgment;
- c) requires the teacher to lead, manage and develop a subject or curriculum area; or to lead and manage pupil development across the curriculum;
- d) has an impact on the educational progress of pupils other than the teacher's assigned classes or groups of pupils; and

e) involves leading, developing and enhancing the teaching practice of other staff.

In addition, before awarding a TLR1 payment, the Trust must be satisfied that the significant responsibility referred to above includes line management responsibility for a significant number of people.

Before making any TLR3 payment, the Trust must be satisfied that the responsibilities meet a, b and d of the above criteria; that they are being awarded for clearly time limited school improvement projects or one-off externally driven responsibilities; and that the responsibilities are not a permanent or structural requirement which should instead be rewarded by means of a permanent TLR payment.

A teacher cannot be awarded a TLR1 and TLR2 simultaneously, but may hold a concurrent TLR3.

13. Special Education Needs (SEN) Allowance

The Trust will award SEN allowances in accordance with the criteria and provisions set out in the 2017 STPCD. The value of SEN allowances to be paid at the school will be:

SEN Allowance	
SEN 1	£2,106
SEN 2	£4,158

14. Allowance Payable to Unqualified Teachers

The Trust may pay an additional allowance, as it considers appropriate, if an unqualified teacher (for example someone who has not yet obtained qualified teacher status, but could be qualified as a lecturer, coach or instructor) takes on a sustained additional responsibility which is focused on teaching and learning, and requires the exercise of a teacher's professional skills and judgment, or qualifications or experience which bring added value to the role being undertaken.

The number of unqualified posts needs to be identified in the staffing structure.

Unqualified Teacher Allowance	
Minimum	£529
Maximum	£6,515

15. Other Payments

The Trust may make such payments as they see fit to a teacher, in respect of:

- a) continuing professional development undertaken outside the school day which has been approved by the Headteacher.
- b) activities relating to the provision of initial teacher training as part of the ordinary conduct of the school.
- c) participation in out-of-school hours learning activities agreed between the teacher and the Headteacher.
- d) additional responsibilities and activities due to, or in respect of, the provision of services by the Headteacher relating to the raising of educational standards to one or more additional schools.

16. Recruitment and Retention Incentives And Benefits

The CEO, on behalf of the Trust Board, will make a payment which it considers necessary as an incentive for the recruitment of new teachers and the retention of existing teachers. The duration/review date/end date of such payment will be clearly defined.

Headteachers' and others on the Leadership range may not be awarded payments under this category except for reimbursement of reasonably incurred housing or relocation costs on appointment. Such payments will be reviewed annually and the payment will be set out clearly and openly shared with all Professional Associations. Please refer to the guidance within the 2017 STPCD.

17. Salary Sacrifice Arrangements

The Trust makes provision for a teacher to give up the right to receive part of their gross salary in return for the agreement in kind (and that benefit in kind is exempt from income tax) under schemes such as: childcare vouchers.

18. Safeguarding (Pay Protection)

The Trust will operate salary safeguarding arrangements in line with the provisions of the 2017 STPCD.

19. Appeals

The arrangements for considering appeals on pay determination are set out in **Appendix 5** of this policy.

20. Other Payments

Continuing professional development outside directed time; Initial teacher training activities; and Out-of-school learning activities

The Trust may make discretionary additional payments to teachers who agree to undertake such activities. Additional payments will be calculated at a daily or hourly rate with reference to each teacher's actual pay spine position or, where appropriate and following consideration by the CEO, at a higher level reflecting the responsibility and size of commitment.

The Trust recognises that such activities outside of directed time are entirely voluntary and that some teachers' commitments will make it difficult for them to undertake such activities. Where teachers cannot attend CPD organised outside the school day, the school will endeavour to offer suitable alternative training arrangements within directed time in line with its commitment to equal opportunities.

Residential duties

The Trust will make payments in respect of residential duties in accordance with the Joint National Council for Teachers in Residential Establishments national agreement.

Honoraria

The Trust will not pay any honoraria to any member of the teaching staff for carrying out their professional duties as a teacher, recognising that there is no provision within the 2017 STPCD for the payment of bonuses or honoraria in any circumstances.

Intervention

£25 per hour will be paid when staff undertake teaching interventions during school holidays and weekends. All hours and interventions must be agreed in advance with the Headteacher.

21. Monitoring The Impact of The Policy

The Trust will monitor the outcomes and impact of this policy on an annual basis. An annual written report on the operation of the Pay Policy, recording pay decisions taken and equality impact, will be provided, including trends in progression across specific groups of teachers to assess its effect and the Trust's continued compliance with equalities legislation.

Pay Appeals Procedure

The Trust is committed to ensuring that appeals against pay decisions meet the requirements of the dispute resolution provisions of employment law.

The process set out below is consistent with the dispute resolution provisions of employment law and is adopted by the Trust as the means by which appeals against pay decisions are considered.

Teachers may seek a review of any determination in relation to their pay or any other decision (taken by the Headteacher, CEO and LAB) that affects their pay.

The following list, which is not exhaustive, includes the usual reasons for seeking a review of a pay determination:

That the person or committee by whom the decision was made:

- a) incorrectly applied any provision of the STPCD;
- b) failed to have proper regard for statutory guidance;
- c) failed to take proper account of relevant evidence;
- d) took account of irrelevant or inaccurate evidence;
- e) was biased; or
- f) otherwise unlawfully discriminated against the teacher.

The order of proceedings is as follows:

1. The teacher receives written confirmation of the pay determination and where applicable the basis on which the decision was made.
2. If the teacher is not satisfied, he/she should seek to resolve this by discussing the matter informally with the decision-maker within ten working days of the decision.
3. Where this is not possible, or where the teacher continues to be dissatisfied, he/she may follow a formal appeal process.
4. The teacher should set down in writing the grounds for questioning the pay decision within ten working days and send it to the CEO.
5. The CEO/LAB, who made the determination should provide a hearing, within ten working days of receipt of the written appeal, to consider the appeal and give the teacher an opportunity to make representations in person. Following the hearing the employee should be informed in writing of the decision and the right to appeal.
6. Any appeal should be heard by a panel of three Directors of the Trust Board who were not involved in the original determination, normally within 20 working days of the receipt of the written appeal notification. The teacher will be given the opportunity to make representations in person. The decision of the appeal panel will be given in writing, and where the appeal is rejected will include a note of the evidence considered and the reasons for the decision.

For any formal meeting the teacher is entitled to be accompanied by a colleague or union representative. Each step and action of this process must be taken without unreasonable delay. The timing and location of formal meetings must be reasonable. Formal meetings must allow both parties to explain their cases.

The procedure for the conduct of formal meetings shall be as follows.
